

Something for Everyone at ACT Center!!

ARE YOU FULLY VACCINATED AND READY FOR IN-PERSON GATHINGS?

ACT has something for you! We will resume in-person Disability Power Days, offer in-person Disability Equality Training Series (DETS) courses, and host summer picnics and meetings. Yeah!

Bring a face mask to in-person events. We will follow CDC recommendations regarding wearing them or not.

ARE YOU FULLY VACCINATED AND WANT THE OPTION OF BOTH IN-PERSON AND REMOTE OPPORTUNITIES?

ACT has something for you! We will host both in-person AND remote options for ACT training programs and gatherings.

NOT VACCINATED?

ACT has something for you! We will continue to offer remote options for trainings, clubs, and other meetings.

NOT VACCINATED AND WANT TO AN ACCOMMODATION?

We will consider disability related and religious exemptions to Covid vaccination. We will treat each case separately. We will listen to why you have not taken the vaccine, and then determine if and how we can accommodate you. This does not necessarily mean that the accommodation will be to allow unvaccinated members to attend in-person events.
